CS_NSW EndNote Download - Google Chrome

You can download the latest installer from the link in your purchase e-mail.

If you need a trial then: <http://www.crandon.com.au/EndNote/demo.html>

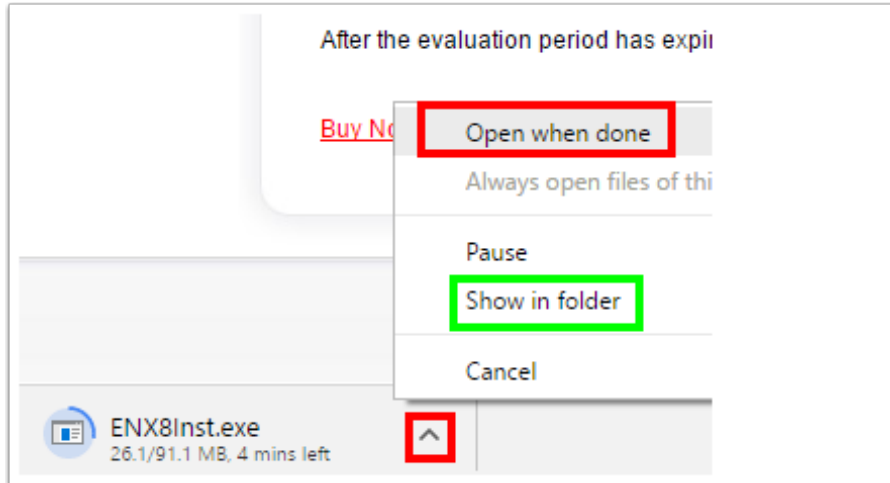

TURN OFF anti virus, and any other open programs during the install.

You can also save / copy the installer to a back-up USB to use on another machine without having to re-download the file. Go to download folder or the location you decided to save the file to locate and copy if required.

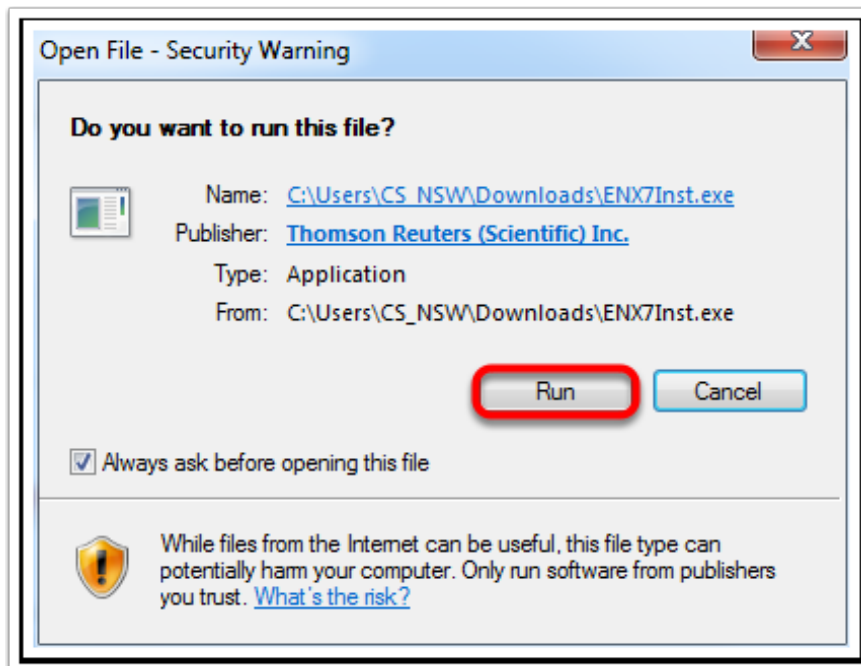

The example below is using the Google Chrome browser.

Open the ENX8Inst.exe file to begin.

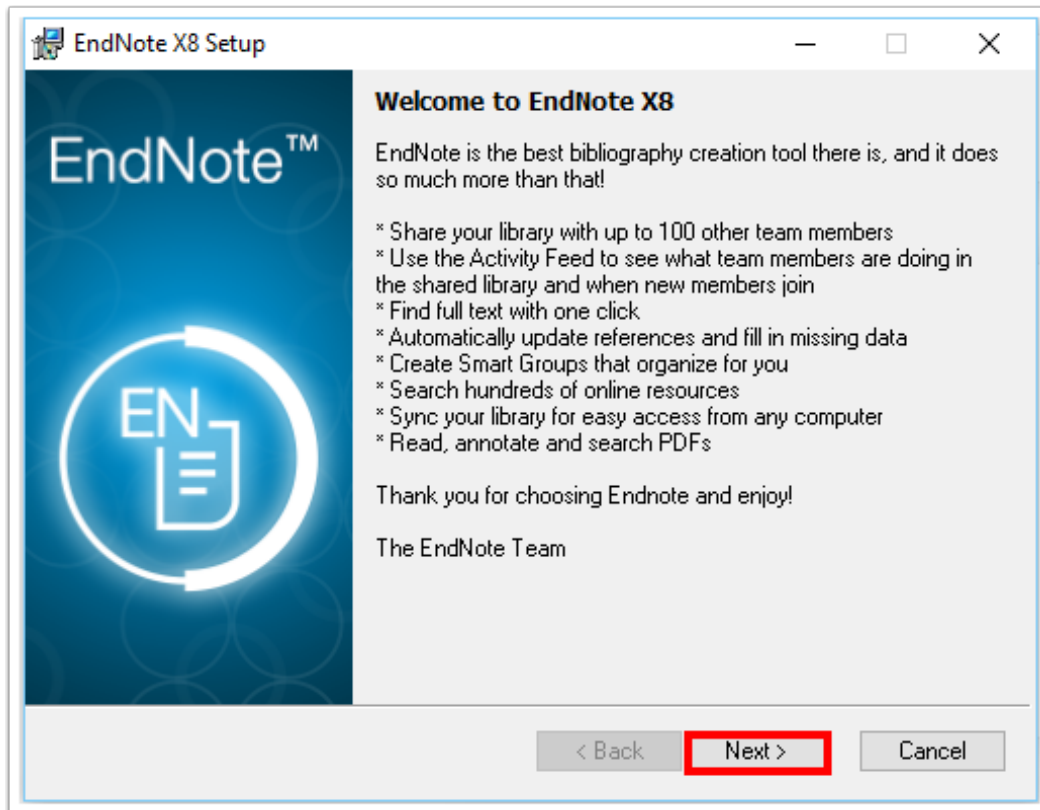

Open File - Security Warning

If you receive a security warning at this stage you will need to select Run to continue with the install.

If you are installing an upgrade, you must enter your OLD serial number to proceed.

The screenshot shows the 'EndNote X8 Setup' window. On the left is a blue panel with the 'EndNote™' logo and a circular icon containing 'EN' and a document symbol. The main area is titled 'User Information' and contains the text: 'Enter the following information to personalize your installation.' Below this are two text input fields. The first is labeled 'Your Name:' and contains the text 'CS_NSW'. The second is labeled 'Your Organization:' and contains the text 'Crandon Services NSW'. A red rectangular box highlights both input fields. Below the fields is a blue-bordered box containing the text: 'If Upgrading - you will be prompted to enter the OLD Serial'. At the bottom of the window are three buttons: '< Back', 'Next >', and 'Cancel'. The 'Next >' button is highlighted with a red rectangular box.
